

BOY SCOUTS OF AMERICA

Hi Paul-

We have a Cub Scout event coming up on Saturday, March 20, 2010. This is a family-friendly gathering where young boys and their fathers prepare and race small wooden cars down a track.

I figure your drivers might want to know more specifics about what we'd like them to do.

We have a questionnaire for the Cub Scouts, ages 8 thru 11, to ask the various drivers. These questions include such things as " How much horsepower does the engine have?" "What does the driver do for a living?" "What originally got him/her interested in purchasing or building this car?"

Etc. The boys and their families will be encouraged to mingle with the drivers and get acquainted with terms relevant to vehicles. Families of your drivers are certainly welcome to join us! I will be at the parking lot at 8AM to direct placement as various vehicles arrive, and the event actually begins at 9 AM, Saturday March 20, 2010. The entire east parking lot (375 North Hollywood, corner of Stewart and Hollywood) will be dedicated to the Car Show, and this allows for entry and exit as needed. The west parking lot is available for the community to park. We expect several hundred visitors. This is an all-day event but we realize drivers may not be able to stay the whole time. The actual Pinewood Derby race will be taking place inside the gym of the church building. Restroom facilities are available. Lunch will be provided. Any decorations that are appropriate for families of young children will be welcomed. Hopefully, the weather will cooperate! Thanks again for all your participation-this is a great event for young boys to get excited about beautiful cars!

Sincerely,
Don Taylor
Cubmaster, Troop 543
