Stay at the Stage Coach in Beatty for \$54.50. They have a restaurant and bar there. Saturday night has a prime rib special. They have cameras on the parking lot for security for the cars. The hotel is pet friendly which is important for some of our members.

The cost to get into Scotty castle is \$11.00 per tour or \$20.00 if you buy both at the same time. There is a tour of the house and then a tour of the underground. They, state/federal, charges \$20.00 to get into Death Valley.

### Driving directions to Beatty, NV

US-95 N

1. Head west on US-95 N 119 mi
2. Turn right at Beatty Wash Rd 0.8 mi

We leave at 8 am Saturday morning then directly to Beatty drop off our bags at hotel, (they will hold things in a secure area) and then caravan to Scottys Castle. The tour groups can not go over 19 for the house and 15 for the underground tour. So we may need to do (2) tours if enough people go.

After finished here go down to Furnace Creek Ranch and Resort. The is a museum there at the resort.

If our golfers are interested we can setup a Tee time at Furnace Creek for \$67.50 per golfer (with a cart) on Sunday morning.
